How To Avoid

Nothing you can do will so effectnally protect you against the influenza
or Grippe epidemic as keeping your
organs of digestion and elimination
active and your system free from
poisonous accumulations.
Doctors and health authorities
everywhere are warning people of
the danger of constipation, and
advising, and urging everyone
to see that the bowels and other
eliminative organs act freely
and regularly.
Oddinary laxatives, purges and
cathartics, salts, oils, calomel and the
like, are good enough to clean out the
system, but do not strengthen the
weakened organs; they do not build up
vitality.
Why don't you begin right today

You can do so if you will just get a 25c. box of Nature's Remedy (NR Tablets) and take one each night for a while.

NR Tablets do much more than merely cause pleasant, easy bowel action. This medicine acts upon the digestive as well as eliminative organs, promotes good digestion, canses the body to get the nourishment from all the food you eat, gives you a good, hearty appetite, strengthens the liver, overcomes biflousness, regulates kidney and bowel action and gives the whole body a thorough cleaning out. This accomplished you will not have to take medicine every day. An occasional NR Tablet will keep your body in condition and you can always feel your best. Sold and recommended by druggists. witality.

Why don't you begin right today to overcome constipation and get your system in such shape that you can feel
